

FIFTY PERCENT FOR PERFORMERS!

ENDORSE FINAL DECLARATION!

International Conference on Online Music

Budapest Music Center | 20-21 November 2014

Final declaration

Dear colleagues,

We are pleased to send you herewith the final declaration of the FIM conference on online music, which we believe was a great success.

The document is available for download in [English](#), [French](#), [German](#) and [Spanish](#). It is essential that this declaration be endorsed by the largest possible range of organisations representing performing artists, whether nationally or internationally.

We would therefore ask you to let us know whether your organisation is willing to endorse this text and, if so, to kindly provide us with its logo. We should be grateful if you could also circulate the declaration to your contacts in other organisations (other than FIM members) that you think are likely to endorse it as well, and ask them to let us know about it.

We thank you very much for your cooperation.

Best regards,

The FIM Secretariat
